We currently expect to be accepting final orders until July 31, 2025; however, product availability is determined by the announced End of Sale (EoS) date or depletion of inventory whichever comes first. ***These dates are subject to change without formal notice.*** We strongly encourage customers to transition all backlog and new orders to the replacement products that are identified in this announcement.

Definitions:

- End of Sale (EoS): The date when HPE Aruba Networking announces the End of Sale (EoS) and End of Support Life (EoSL) for a given product to the general public.
- End of Sale (EoS) Date: The product is no longer available for purchase after this date and is removed from all price lists.
- End of Warranty Date: The product is no longer eligible for warranty claims after this date. For Limited Lifetime Warranty products, this date is the same as the End of Support Life (EoSL) date.
- End of Support Life (EoSL*): The product is no longer supported by HPE Aruba Networking Support Services after this date.

* End of Support Life (EoSL) is typically 5 years from the End of Sale Date, but subject to change.
