

ENGAGE

FORTINET PARTNER PROGRAM

Partner for Success

Solutions built to drive partner growth

Providing your customers with cybersecurity everywhere it's needed.

Fortinet is the industry's leading cyber security platform vendor. No other vendor has the strength and positioning to provide your customers with the platform approach necessary to effectively combat today's complex cyber security landscape. By consolidating vendors and point products across both security and networking, organizations reduce complexity and close security gaps.

Fortinet partners are able to sell and support our portfolio of over 50 enterprise-grade products, the largest integrated offering available, delivering proven cybersecurity everywhere your customers need it.

Most deployed, most patented, and most validated cybersecurity vendor.

Engage partners gain access to the industry's highest performing and most expansive cybersecurity platform.

Partner with us to Tap into a Huge Market Opportunity.

By partnering with Fortinet, you unlock exclusive access to a huge market opportunity - \$282B by 2028.

Our AI-driven platform approach gives you the ability to sell solutions that tap into this opportunity, solving current and future cyber security concerns.

The Fortinet Security Fabric: Cybersecurity, Everywhere You Need It

Within our unified platform, three solutions redefine cybersecurity, helping you to respond to an ever-evolving cybersecurity landscape to meet constantly accelerating business needs. The solution to simplifying complex networks, distributed users, and hybrid applications is the convergence and consolidation of security, all with flexible consumption models to make buying easy.

Grow and Differentiate Your Business with Fortinet's Engage Partner Program

Engage and Grow

Through our broad portfolio, partners who invest in Fortinet grow their business faster, build better relationships with customers, and have access to more opportunities than any other vendor. Partners who invest in Fortinet see exponential returns.

Expand and Specialize

The Engage Program has built-in flexibility to easily expand and specialize your offerings. As you invest with Fortinet, we invest in you with increasing access to program benefits including discounts, rebates, specialization designations, and channel team support driving your success.

Trust Your Vendor: 100% Channel Model

With no direct sales team, 100% of our business is through the channel. We offer sales, marketing, and executive support to help you nurture predictable and profitable customer relationships.

Engage: A Flexible Program that Adapts with our Partners

Define Your Journey with Fortinet

1 **ENGAGE** Define Level of Engagement

Fortinet meets you where you are and supports your growth with us

2 **EXPAND** Select Business Model(s)

Aligned with your business strategies, supporting multiple business models with benefits to enhance and expand your practice

3 **SPECIALIZE** Differentiate with Specializations

Stand out with market-driven specializations that allow you to focus on and be recognized in key business growth areas

Integrator

Business model for partners who primarily resell to customers on-premises; can offer some managed services.

Engage Partner Specializations

Fortinet Partner Specializations designed to help your organization gain the knowledge and skills necessary to become a partner of distinction in one of several high-business demand areas. When individuals from your organization complete the training, your organization becomes eligible for designation. Once Specialized, you will receive a badge, official recognition on the Partner Locator, discounted not for- resale kits designed for each Specialization, and exclusive access to events. Partners will also gain access to our communities where you can engage, learn, and network with other Fortinet enthusiasts. Each Specialization has customized Sales Training and Technical Exam requirements that must be completed before a partner organization becomes eligible for designation.
